

Wreath Masterclass -

The first Christmas decoration to appear in the household is invariably a wreath. With its gorgeous scent, it instantly conjures a festive atmosphere and if designed well, it will last into the New Year.

During this one-off and very special class, we will share the delights of Christmas wreath-making to the soundtrack of our favourite carols. Using seasonal foliage, flowers and decorations, you will create your own sumptuous wreath to take home.

The only dilemma is whether to hang it from your door, or give it pride of place - with a candle - on the kitchen or dining room table.

- All flowers, containers and appropriate sundries are included in the cost of the course.
- All tools necessary for the course will be provided for you to use. Tea and coffee will also be provided.
- All you have to bring is your enthusiasm, and a pen and notebook
